SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT

MEMORANDUM

DATE: February 7, 1986
TO: Engineering Division Technical Staff
FROM: Sanford M. Weiss, Director of Engineering /s/ by SMW
SUBJECT: Charging for Environmental Impact Reports

You are aware that the Division reviews environmental impact reports and similar CEQA documents as part of our normal functions. In most cases, you do not have a pending application at the time that you carry out that CEQA review. Under the condition, however, where you do have a pending application and you conduct a CEQA review, it is appropriate for you to charge an additional fee as part of the permit fee. The standard processing charge of \$50 per hour is appropriate for that evaluation process and is in addition to your normal permit processing fees.
